I declare, I confirm, I certify and I sign that I received substantial, important, line by line peer review with several and substantial comments, important remarks and hints from, at least, 3 Reviewers and the Assistant Editor for my paper:

Automatic segmentation scheme for effective synchronization of EMG-EEG quantification

with *Authors: Suprijanto, Azizah S. Noor, Ayu G. Risangtuni, Hesty Susanti*

I would like to thank all the reviewers for their thoughtful comments and efforts towards improving our manuscript. We revised the manuscript with special attention to the comments that we received from, at least, 3 reviewers that they were experts, specialist in the area of my paper.

I declare, I confirm, I certify and I sign that also that no reviewer, no Associate-Editor, no Editor-in-Chief, no member of the NAUN Secretariat, nobody whatsoever and never forced me in this Journal to add references (citations) to any previous publications of the journal. I declare, I confirm, I certify and I sign that that I have made all the changes, modifications, additions, studies, corrections asked by the reviewers and I have fully complied with their instructions. I also understand that before the publication the 3 (or more than 3) reviewers will check my paper to see if all the changes, modifications, additions, studies, corrections etc have been done and I authorize the NAUN to publish my paper or to reject my paper even in the 2nd round of peer review or to continue with an additional round of peer review.

Please, write additional comments below (take ideas from:

It should be noted that I received rigorous peer review on my papers. Reviewers promptly sent reviews that were written clearly and contained reasonable suggestions for corrections. I recommend my colleagues to publish their works in this Journal. I hope that our efforts will further increase these publications' ratings, and readers will find a high-quality scientific Journal in this Journal.
