with Authors: Mayssa A. Traboulsi; Abdellatif Boussaid and Zainab. El Alaoui Talibi.

I also declare, confirm, certify and sign that I have made all the changes, modifications, additions, studies, corrections asked by the reviewers and I have fully complied with their instructions. I also understand that before the publication the 3 (or more than 3) reviewers will check my paper to see if all the changes, modifications, additions, studies, corrections etc have been done and I authorize the NAUN to publish my paper or to reject my paper even in the 2nd round of peer review or to continue with an additional round of peer review.

I also declare, I confirm, I certify and I sign that I will not publish this paper or an important part of the paper in any other Journal (inside or outside NAUN) Conference Proceedings (inside or outside NAUN), Book (inside or outside NAUN), University Repository etc) without the written permission of the NAUN.

In case of violation of the above terms, NAUN can reject any unpublished paper or even retract any published paper.

It was a great experience to have our paper published in the International Journal of Biology and Biomedical Engineering. It was a remarkable reviewing process by having important and valuable comments from three reviewers. The reviewing duration was convenient and very professional. We highly recommend NAUN publisher for future publication. Final production was excellent. Regards
