I declare, I confirm, I certify and I sign that I received substantial, important, line by line peer review with several and substantial comments, important remarks and hints from, at least, 3 Reviewers and the Assistant Editor for my paper: . A Multi Fusion Data Mining Algorithm for Solar Energy Efficiency

with Authors: . Yue Lin, Zhan Shuo, Bai Jing, Kanae Shunshoku

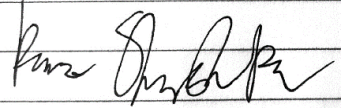

I would like to thank all the reviewers for their thoughtful comments and efforts towards improving our manuscript. We revised the manuscript with special attention to the comments that we received from, at least, 3 reviewers that they were experts, specialist in the area of my paper.

I declare, I confirm, I certify and I sign that also that no reviewer, no Associate-Editor, no Editor-in-Chief, no member of the NAUN Secretariat, nobody whatsoever and never forced me in this Journal to add references (citations) to any previous publications of the journal. I declare, I confirm, I certify and I sign that that I have made all the changes, modifications, additions, studies, corrections asked by the reviewers and I have fully complied with their instructions. I also understand that before the publication the 3 (or more than 3) reviewers will check my paper to see if all the changes, modifications, additions, studies, corrections etc have been done and I authorize the NAUN to publish my paper or to reject my paper even in the 2nd round of peer review or to continue with an additional round of peer review.

Please, write additional comments below:

I am glad that I published one of my good papers in NAUN International Journal of Circuits, Systems and Signal Processing. The title of my paper is "A Multi Fusion Data Mining Algorithm for Solar Energy Efficiency" and has been accepted in NAUN International Journal of Circuits, Systems and Signal Processing. I made the significant improvements that the reviewers proposed on the paper in order to submit the final version for the NAUN International Journal of Circuits, Systems and Signal Processing. It goes through the peer's review with no publication fee. I am glad that the paper will be published in this journal soon and I thank the Editor-in-Chief, Associate Editor and the team of 3 reviewers.
