I declare, I confirm, I certify and I sign that I received substantial, important, line by line peer review with several and substantial comments, important remarks and hints from, at least, 3 Reviewers and the Assistant Editor for my paper: ‘The artificial intelligence and design of multibody systems with predicted dynamic behavior’ with Authors: Vladimir Poliakov.

I would like to thank all the reviewers for their thoughtful comments and efforts towards improving our manuscript. We revised the manuscript with special attention to the comments that we received from 3 reviewers that were experts, specialists in the area of my paper.

I declare, confirm, certify and sign that NAUN has checked my paper for possible plagiarism by Turnitin and my paper was found without plagiarism or self-plagiarism by Turnitin.

I also declare, confirm, certify and sign that also that no Associate-Editor, no Editor-in-Chief, no member of the NAUN Secretariat forced me in this Journal to add references (citations) to any previous publications of the journal.

I also declare, confirm, certify and sign that I have made all the changes, modifications, additions, studies, corrections asked by the reviewers and I have fully complied with their instructions. I also understand that before the publication the 3 (or more than 3) reviewers will check my paper to see if all the changes, modifications, additions, studies, corrections etc have been done and I authorize the NAUN to publish my paper or to reject my paper even in the 2nd round of peer review or to continue with an additional round of peer review.

Please, write additional comments below:

The references list is expanded up to 28 items (instead of 15) including the citation of International Journal of Circuits, Systems and Signal Processing articles. The necessary explanations recommended were made. All additions are made with yellow.
