I declare, I confirm, I certify and I sign that I received substantial, important, line by line peer review with several and substantial comments, important remarks and hints from, at least, 3 Reviewers and the Assistant Editor for my paper: “**IoT Cloud Computing Middleware for crowd monitoring and evacuation**” with Authors: **Alexandros Gazis, Eleftheria Katsiri**. I would like to thank all the reviewers for their thoughtful comments and efforts towards improving our manuscript. We revised the manuscript with special attention to the comments that we received from three reviewers that were experts, specialists in the area of my paper.

I declare, confirm, certify and sign that NAUN has checked my paper for possible plagiarism by Turnitin and my paper was found without plagiarism or self-plagiarism by Turnitin.

I also declare, confirm, certify and sign that also that no Associate-Editor, no Editor-in-Chief, no member of the NAUN Secretariat forced me in this Journal to add references (citations) to any previous publications of the journal. I also declare, confirm, certify and sign that I have made all the changes, modifications, additions, studies, corrections asked by the reviewers and I have fully complied with their instructions. I also understand that before the publication the 3 (or more than 3) reviewers will check my paper to see if all the changes, modifications, additions, studies, corrections etc have been done and I authorize the NAUN to publish my paper or to reject my paper even in the 2nd round of peer review or to continue with an additional round of peer review.

I also declare, I confirm, I certify and I sign that I will not publish this paper or an important part of the paper in any other Journal (inside or outside NAUN) Conference Proceedings (inside or outside NAUN), Book (inside or outside NAUN), University Repository etc) without the written permission of the NAUN.

I also declare, I confirm, I certify and I sign that this paper or an important part of the paper has not been published other Journal (inside or outside NAUN) Conference Proceedings (inside or outside NAUN), Book (inside or

outside NAUN), University Repository etc). In case of violation of the above terms, NAUN can reject any unpublished paper or even retract any published paper.

Please, write additional comments below:

We would like to thank the publisher NAUN and especially the editorial board of the International Journal of Circuits, Systems and Signal Processing for inviting us to contribute to this special issue dedicated to the memory of Anastasios Venetsanopoulos. We would also like to express our gratitude to all the reviewers who provided a first decision in 1 month and especially Reviewer 3 whose remarks have helped us severely enhance the quality and the logical flow of our publication.
