I declare, I confirm, I certify and I sign that I received substantial, important, line by line peer review with several and substantial comments, important remarks and hints from, at least, 3 Reviewers and the Assistant Editor for my paper: “Analytical model for separated frequency signature of outer race bearing fault from static eccentricity”

with Authors: Touil Abderrahim, Babaa Fatima, Bennis Ouafae, Kratz Frederic.

I would like to thank all the reviewers for their thoughtful comments and efforts towards improving our manuscript. We revised the manuscript with special attention to the comments that we received from 3 reviewers that were experts, specialists in the area of my paper.

I declare, confirm, certify and sign that NAUN has checked my paper for possible plagiarism by Turnitin and my paper was found without plagiarism or self-plagiarism by Turnitin. I also declare, confirm, certify and sign that also that no Associate-Editor, no Editor-in-Chief, no member of the NAUN Secretariat forced me in this Journal to add references (citations) to any previous publications of the journal.

I also declare, confirm, certify and sign that I have made all the changes, modifications, additions, studies, corrections asked by the reviewers and I have fully complied with their instructions. I also understand that before the publication the 3 (or more than 3) reviewers will check my paper to see if all the changes, modifications, additions, studies, corrections etc have been done and I authorize the NAUN to publish my paper or to reject my paper even in the 2nd round of peer review or to continue with an additional round of peer review.

I also declare, I confirm, I certify and I sign that I will not publish this paper or an important part of the paper in any other Journal (inside or outside NAUN) Conference Proceedings (inside or outside NAUN), Book (inside or outside NAUN), University Repository etc) without the written permission of the NAUN.

I also declare, I confirm, I certify and I sign that this paper or an important part of the paper has not been published other Journal (inside or outside NAUN) Conference Proceedings (inside or outside NAUN), Book (inside or outside NAUN), University Repository etc). In case of violation of the above terms, NAUN can reject any unpublished paper or even retract any published paper.

“It was a great experience to have our paper published in the International Journal of Circuits, Systems and Signal Processing. It was a remarkable reviewing process by having important and valuable comments from three reviewers that helped me to improve my paper significantly. Really, after the revision taking into account Reviewer's comments, I see that my manuscript became better and stronger. Thanks a lot, to dear Reviewers. The reviewing duration was convenient and very professional. Final production was excellent. Regards”
