I declare, I confirm, I certify and I sign that I received substantial, important, line by line peer review with several and substantial comments, important remarks and hints from, at least, 3 Reviewers and the Assistant Editor for my paper “Limit states of structures and global sensitivity analysis based on Cramér-von Mises distance” with one Author: Zdeněk Kala.

I would like to thank all the reviewers and for the editor’s comments concerning my manuscript. I revised the manuscript with attention to the comments that I received from 3 reviewers. These comments are all very valuable and helpful for revising and improving my paper as well as the important guiding of significance to my studies. I have read comments carefully and have made corresponding corrections. My responses are marked in yellow (for the first reviewer), in green (for the second reviewer), in cyan (for third reviewer). Thanks again to the 3 reviewers who are experts, specialists in the area of my paper.

I declare, I confirm, I certify and I sign that also that no reviewer, no Associate-Editor, no Editor-in-Chief, no member of the NAUN Secretariat, nobody whatsoever and never forced me in this journal to add references (citations) to any previous publications of the journal. I declare, I confirm, I certify and I sign that that I have made all the changes, modifications, additions, studies, corrections asked by the reviewers and I have fully complied with their instructions. I also understand that before the publication the 3 reviewers will check my paper to see if all the changes, modifications, additions, studies, corrections etc have been done and I authorize the NAUN to publish my paper or to reject my paper even in the 2nd round of peer review or to continue with an additional round of peer review.

Thank you very much for the time spent in considering my article for publication in the International Journal of Mechanics.
